

FORD TRANSIT EXLWB DROPSIDE 350-155PS 14FT

£17,999.00 plus VAT

This is a rarity on the market today and with no chassis cab production at Ford until possibly next year, will only become harder to find.

This 1 owner vehicle has an alloy 14ft/ 4.26m dropside body on the extended length chassis.

Fitted with the best and most powerful 155ps /2.2 engine.

We have just taken her on an extended appraisal drive and can confirm she drives exceptionally well.

FSH and will be serviced prior to sale with a new MOT.
